

Suining Europe-America Industrial Park

Founded in 2017, located in the ETDZ (national level), Suining city, Sichuan Province, China, EAIP covers around 2 km² planning area, aiming to set up an international cooperation park operation model in western China. EAIP focuses on attracting four main industries: auto parts, high-end equipment, electronics and industrial services. At present, 17 companies already settled down in the park, including Fortune 500 Lear Corporation (US), Faytech (Germany), Zentner (Germany), etc.

Convenient Transportation

Suining is the third traffic hub in the Chengdu & Chongqing area.

- **128 km** expressways either to Chengdu or Chongqing.
- **50 minutes** by CRH or Metrolink service to Chengdu or Chongqing.
- **16 days** freight railway service to Europe (Duisburg, Germany).
- **1 h's** drive to Nanchong Airport, **2 h's** drive to Chengdu or Chongqing Airport.

Low Manufacturing Cost

- The workshops are available for rent, sale or custom-built.
The rent fee is reasonable and economical, the **average** around **15 RMB/m² /month***.
- Low price of industrial water, electricity and natural gas.
- 29 vocational and technical training schools providing **20,000* technical talents per year**.
- The **minimum salary is 1,650 RMB***. Worker's comprehensive monthly salary is 2,600~4,600 RMB/months*.

* Reference 2021

One-Stop Service is including but not limited to registration, declaration, HR recruitment & training, upstream & downstream integration, helping companies to minimize operation costs and maximize benefits.

Favorable Policy

EAIP enjoys all the favorable policies of National ETDZ and is able to offer much more flexible support, meeting the requirement of your project.

- **Tax Policy:** Tax incentives within granted years given by EAIP
- **Financing Policy:** Guarantee or financing service provided by EAIP
- **Rent Policy:** Rent-deduction, rent-free-period, rent-to-buy
- **Talent Policy:** Special subsidies for high-level talents and workers' training
- **Industry Support:** Assist to apply for national and regional industrial or fiscal funds
- **Other policy:** One-Project-One-Discussion
