About us

ECOVIS is a leading global consulting firm with its origins in Continental Europe. It has over 5,000 people operating in over 60 countries. Its consulting focus and core competencies lie in the areas of tax consultation, accounting, auditing and legal advice. Its offices are located in all major economic centers of the world. Ecovis is the natural choice of professional service firms for SMEs throughout the world and intelligent alternative for larger multinational companies for our niche specialist services. We add value to our clients with fair and transparent pricing. Our advice is solutions-based. We care for our people and encourage excellence in both their personal and professional development.

We of ECOVIS Ruide China represent the ECOVIS Group in China. We particularly customized our advisory activities to the requirements of internationally active enterprises. We work independently, objectively and absolutely reliably in compliance with finance and controlling. As the member of ECOVIS Group, Ruide mainly provide consulting service to multinational small and medium-sized enterprises. Significant for our partnership with our clients are mutual trust and long-term personal consultation and support. In the past years, Ruide got the substantial development.

Our service in the fields of:

- Auditing
- Accounting
- Tax Consulting
- Business Advisory
