

# Ganter Asia Pacific

Ganter Asia Pacific realize unique interior design to full construction, as well as producing concept roll-out furniture and VM props for international brands.

Besides retail sector, Ganter Asia Pacific also realizes premium and luxury commercial and residential projects for our clients.

Since 2019, Ganter Asia Pacific has separated from Ganter Group Germany into an individual ownership and holds two locations in Shanghai and Hong Kong.

Our global network of trusted suppliers and partners allows us to meet the requirements of our clients at any scale and to provide solution for your customized project – worldwide.

*With 35-year experience in shop-fitting industry and talents in our team, Ganter Asia Pacific is at your service with a humble heart.*

*Ansgar Niemann  
Owner / CEO*
