

MPS Construction Engineering (Shanghai) Co., Ltd.

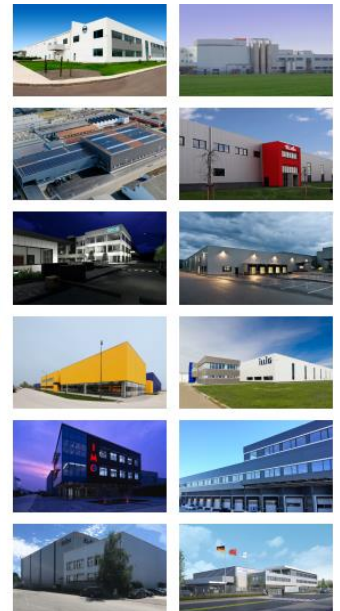

Introduction of the MPS Shanghai

MPS Bauplanung GmbH is located in Stuttgart, Germany. Globally active for over 25 years in the planning, supervising and directing of international construction projects. MPS has become a well-known player in the building sector for the construction of industrial and commercial buildings and logistics centers.

The company was founded in Stuttgart in 1990 and has about 70 employees, with projects located in 22 countries and permanent offices in Stuttgart, **Shanghai** and Pune.

"We follow our clients all over the world!" This has been Winfried Mayer's motto since his Stuttgart company, MPS Bauplanung GmbH, started carrying out projects for German companies **in China in 2001**. It was not long before the Chinese MPS subsidiary company was set up in Shanghai which completed so far more the 100 Projects with many more to come.
